Ref. Construction of the Kako bridge in Soc Trang Province

Dear Mr Teodori,

I should have sent you this letter in September, but I was again in Europe; that why you receive only now the information upon the chosen bridge construction.

On 1st August 2017 Caritas Vietnam and Caritas Can Tho signed a contract regarding the construction of the chosen bridge in Soc Trang Province. You find in the attached files copies in Vietnamese and English of this contract. This contract, an arrangement between Caritas Vietnam and Caritas Can Tho, allowed Caritas Can Tho to go ahead with the bridge builder and have the bridge built.

Caritas Vietnam recently informed me the Kako bridge in Tan Hung commune, Long Phu district, Soc Trang province had begun and would be finish on due time (see the contract)

They sent me also some pictures: visit of Caritas Vietnam and Caritas CanTho on the site before the beginning of works and also of some preparatory works.

I think it is time now to send the first payment (5,000 USD) to Caritas Vietnam which already paid 40% of total costs to Caritas Can Tho according to the signed contract. Other payments also will be sent to the same beneficiary. Hereby is the bank account of Caritas Vietnam:

- Account name: UBBAXH CARITAS VIET NAM
- Account number: 033 1 00 379 1335
- Bank name : VIETCOMBANK, Ben Thanh branch, Swift code BFTVVNVX
- Bank address: 69 Bui Thi Xuan St., 1st district, Ho Chi Minh city

As soon as I receive new information I will forward it to you. If you need other details, please, do not hesitate to let me know.

With thanks and best regards.

Fr. Joseph Nguyen Van Sinh
Treasurer of the Office of the Catholic
Bishop' Conference of Vietnam
